

## NO SEW FLEECE BLANKET revised instructions to fringe only the top and bottom

Purchase 1 1/2 yards of kid friendly fleece

**1. Cut the selvages off each side - (those edges with the little holes and sometimes curly and often have the name of the fabric on it)**

2. For the Top and bottom of the blanket:

Cut the fringe strips 3/4 to 1" strips wide (see note below for easy tip)

**put blue painters tape 5" down from top edge**

cut fringe 3/4 to 1" wide and approximately 5" long  
mark the tape with the width of the strip  
cut up to the blue tape, when done peel  
off the tape and put on the bottom end  
of the blanket and repeat

**blue painters tape**

cut fringe 3/4 to 1" wide and approximately 5" long  
see above tip

3. Loosely tie each separate piece of fringe with a simple overhand knot at the blanket edge
